Thirty-seventh street. The Fire Marshal and the police have been asked to make an investigation and report on Tuesday, Jan. 5.

Policeman Thompson, of the West Thirty-seventh street station, caught the firebug this morning. He was passing the tenement at the time and detected the odor of smoke. He found that smoke was coming from the cellar. Groping his way to the cellar he says he tound Hezekiah May building a fire under the cellar stairs. The tire had already kindled, but Thompson with a kick extinguished it and then took May in charge. May said that he lived in the hause, but the policeman roused the hand never seen May before.

May was locked up in the West Thirty-seventh street station. There he admitted that he lived at No. 232 West Thirty-seventh street. he four-story brick house at No. 154 Waverley place were awakened from their sleep early to-day by a fire which started in the cellar. Ali remained calm and a bucket brig-

ade was formed. By the time the fire men arrived the flames had been extinguished by the sisters and there was nothing left for them to do. It was about 6.30 o'clock that Sister MUTUAL LIFE'S FIDUCTARY Folks was awakened by the smell of

smoke. She quietly summoned a police-man, who turned in an alarm, and then The Mutual Life Insurance Company she awoke the other sisters, telling

CHICAGO FIRE

Explosion Occurs in U. S. Feather Company's Factory, and One Employee Jumps Through a Window to Instant Death.

CHECAGO, Des. 11.-An explosion perfection of fit and comfort. HONEST GOODS! ocurred to-day on the fourth floor of he United States Feather Company's factory.

Twenty or thirty men were at work

on the floor at the time and of these at least one—Daniel Phelan, who jumped into an alley through a window-was killed.
Others of the workmen were reported

o have been burned, the number being uncertain. The building was soon a foot.

MAXWELL URGES

Their Pupils in Practice of Rapid Dismissals.

City Superintendent of Schools Will-

iam H. Maxwell this morning sent out perintendents and principals of schools: natisfied customers. "The terrible theatre fire in Chicago has its lesson for all who have any re sponsibility for the protection of life It especially comes home to us who are responsible several hours a day for the lives of hundreds of thousands of children. I write to ask you, therefore, to take every precaution to make the firedrill or rapid dismissals in your schools required by law and by the by-laws of the Board of Education, as perfect as

possible. "Every teacher should know his or her duties in case of alarm, the signals should be clearly understood, and practice should be given with sufficient in exits.

of alarm of fire that has occurred in the schools during the past few years the existing fire drills have proved effective, the teachers have behaved with coolness and courage, and in not a single instance, even when 2,000 children are collected under one roof, have the pupils been thrown into a panic. It is our duty, nevertheless, to make our fire drills more perfect than they are, if possible."
